## Primary Means of Communication and Expectations

---

- We will use Slack for text base communication and Zoom for video or voice.
- Zoom link will be posted in Slack general.
- Check Slack daily and respond within 24 hours.

## Scheduling Meetings

---

- Everyone should fillout their Lettuce meet form before every Sunday
- Most meetings should be scheduled a week in advance

## General Responsibilities for All Team Members

---

- Notify members at least the day before if you can't attend weekly meeting
- Attend daily standups (depends on how often we're gonna have it)

## Conflict Resolution

---

- Mediate with the group leader first
- If that doesn't work schedule something with the TA/Tutor
- At their discretion, ask the professor for help if conflicts still don't resolve
- If a team member fails to meet a deadline and doesnt respond/explain their issues within 3 days, report to TA/prof
